

The Consumer Bankers Association (CBA) has chosen to challenge Indiana's Telephone Privacy law in a proceeding before the Federal Communications Commission (FCC). The CBA is attempting to impose the federal "established business relationship" exemption on Indiana consumers.

As an Indiana consumer I do NOT want any solicitations from any company, bank or otherwise. I do not want the Indiana Telephone Privacy law weakened in any way. If my bank or any other bank calls me as a telemarketer I will change banks and let that bank know why I am moving my accounts/business elsewhere. The Indiana Telephone Privacy Law is a good one-Please protect it and not be pressured by "big business".

Thank you,

W. Kelly
